

UNDERSTANDING THE COLLEGE, CAREER, WORKFORCE, AND MILITARY READINESS (CCWMR) MEASURE

Join your area Career Centers, ESC's, ITC's, and the Ohio Department of Education and Workforce for an engaging professional development session designed for school administrators and EMIS coordinators. This session will explore Ohio's new College, Career, Workforce, and Military Readiness (CCWMR) Measure, offering a comprehensive overview of the measure, its components, and reporting requirements. Additionally, it will provide practical strategies for data collection, tracking, and submission through EMIS.

Copies of the presentation as well as the technical documentation will be sent a few days ahead of the date.
