Our District

Established in 1914, the Mahoning County Educational Service Center (MCESC) currently has 20 member districts and 46,000 students in Mahoning, Columbiana, Portage and Trumbull Counties. MCESC also provides support services to over 50 non-member districts throughout multiple counties.

MCESC provides our partners with the information, guidance and skills to help them meet their district goals.

MCESC services range from early childhood programs to our Adult 22+ program. A few of the services provided include professional development to teachers and administrators, Marketing services, SLP, OT/PT, School Psych., Early Childhood, Help Me Grow, Alternative Education and Valley STEM ME2.

Mission Statement

Mission Statement: “Service Through Leadership”. The MCESC is committed to the individualized success for all children through high quality shared services that are tailored, innovative, and cost effective for our partners.

Vision Statement: “The MCESC will be a leader in the rebirth of public education in the valley”.

The MCESC vision includes:

- Service with a personal touch.
- Embracing a regional platform for workforce development.
- Increased sharing/consolidating service opportunities that offer members cost savings.
- Assisting in increasing graduation rates and workforce readiness.
- Finding new ways to measure the MCESC’s impact on student achievement.
