

Bridgeport EVSD SUPERINTENDENT Job Opening

We are Looking for Our Next Superintendent.

Bridgeport Exempted Village School District is seeking a visionary leader who believes in the power of a team, the potential of every student, and the transformative role a public school can play in a community.

This is an opportunity for a servant leader who will continue to build upon a culture of innovation, collaboration, student advocacy, and community engagement.

THE LEADER WE SEEK

Believes every decision begins with what is best for **students**.

Understands that students should graduate prepared for **college, careers, military service, or workforce opportunities** on day one after graduation.

Values student voice, ownership, and leadership.

Recognizes that the strength of a district lies in its people and the power of a **united team**.

Builds **meaningful partnerships** with businesses, community organizations, healthcare providers, and higher education institutions.

Embraces **innovation** while honoring the traditions and values that define our community.

Leads with **integrity, visibility**, and a genuine commitment to relationships.

Inspires others through **collaboration, trust**, and **service**.

THE OPPORTUNITY

Bridgeport is a district on the move. Our community has embraced the belief that schools can be more than buildings. Schools can serve as **hubs for opportunity, workforce development, innovation, wellness, and community pride**.

The next superintendent will inherit a district that believes in growth, embraces challenges, and is committed to preparing students for success beyond graduation. The successful candidate will help lead the next chapter of that vision while empowering others to do the same.

A DISTRICT OF PEOPLE

The ideal candidate will understand that leadership is not about an individual. Leadership is about building teams, creating opportunities, removing barriers, and helping others achieve their greatest potential.

We are looking for someone who will champion students, support staff, engage families, strengthen community partnerships, and continue moving Bridgeport forward.

Because while programs and facilities matter, **students matter most**.

CLOSING STATEMENT

If you believe in the power of public education, the strength of teamwork, and the limitless potential of students, we invite you to lead with us as Bridgeport continues to build a future where every student is known, valued, and prepared for what comes next.

*"We are not looking for someone to fill a position.
We are looking for someone to continue a movement."*

APPLICATIONS DUE:

On or Before October 23rd, 2026

OUR DISTRICT

Student Enrollment:
809 PreK-12

Bridgeport EVSD is a thriving district committed to providing exceptional opportunities for every student.
