THE SEARCH

The Bradford Exempted Village School District is seeking qualified applicants for the position of Superintendent of Schools. The Board is looking for a dedicated, dynamic, and innovative educational leader who possesses a strong collaborative ability and who will work to further develop and support the many programs that make a school district successful.

THE COMMUNITY

Bradford is located in both Miami and Darke Counties in western Ohio less than an hour from the Indiana border. Located near the intersection of State Routes 36 and 721, Bradford is a community of nearly 2000 proud citizens who make the schools the center of community activity. Though its charm is its small-town appeal, Bradford is located just twenty minutes from I-75, making metropolitan areas such as Dayton, Cincinnati, and Columbus just a short drive away.

Additionally, residents have easy access to health care facilities, shopping, and higher education opportunities, with larger communities such as Greenville, Piqua, and Troy situated less than twenty minutes away.

THE DISTRICT

The district is comprised of approximately six hundred students who are housed on a K-12 campus in a building that is ten years old. The district received an "Effective" rating from the Ohio Department of Education for the 2010-2011 school year, continuing its trend of academic improvement over the last three years.

Bradford offers to its students a core of comprehensive academic programs, including college preparatory courses, access to PSEOP and gifted and talented programs, special education programs, and classes in the fine arts. Through an innovative agreement with Urbana University, the district houses a dual enrollment program from which students benefit greatly. Students interested in career technical programs attend the Upper Valley Career Center, located in Piqua. While the greatest emphasis in the district is on academic achievement, high quality extra-curricular programs also play an important role in students' lives.
