

Western Ohio Computer Organization (WOCO) is accepting applications for a Fiscal Support Analyst. The position will begin immediately, salary range is 50-70K commensurate with experience. WOCO serves school districts in a five county region with an office and datacenter in Sidney. Deadline to apply is November 8th.

Minimum qualifications – requires experience with state software USAS/USPS. Excellent customer service skills and commitment to work with a team. Strong self-starter who enjoys learning and working with district users. Experienced with small group training sessions. Working knowledge of Excel and text files. Will be supporting current state software and be trained to backup PowerSchool eFinance PLUS fiscal and HR software.

WOCO is one of eighteen ITC's serving Ohio schools. We have an excellent team environment, good benefits, a work from home policy, and many opportunities for professional development.

Please email letter of interest and resume to Donn Walls, WOCO Director – donn@woco-k12.org
