About the District

The Spencerville Local School District is located primarily in Allen County, but does have presence in Van Wert and Auglaize counties. The rural District encompasses 90 square miles and is served by State Routes 66, 81, 117 and 198.

In January 2007 the students and staff were moved into a beautiful new K-12 building. Being under one roof has been a tremendous advantage to the educational experience for all. The District transports 50% of its enrolled students.

Major sources of revenue to the District are local property taxes on real and personal property, along with state aid. Other funds, such as lunch and special classes are funded for their expenditures by designated state and federal grants. The District also has a five year 1% school district income tax which is a significant source of revenue for the District.
