LEARN MORE

Did you know? We also offer:

## WHITE GLOVE SERVICE

Our technicians will pre-configure your devices based on your unique requirements before they are shipped.

## UV PRINTING

Add a number or code, your institution's logo or cover the unit with full graphics, CDI's UV printing solution is fully customizable to your needs.

## GO GUARDIAN

GoGuardian® helps educators maximize the benefits of using technology in the classroom while minimizing the risks associated with online learning.
