## ENTERPRISE-PLUS ACCOUNTS FOR \$264

LICENSE EXPIRES JUNE 30, 2022

Electronically request and add legally binding signatures to any document

MVECA  
[www.mveca.org](http://www.mveca.org)

MANAGEMENT COUNCIL  
[www.managementcouncil.org](http://www.managementcouncil.org)

# ADD SIGNATURES TO ANY DOCUMENT WITH AN ENTERPRISE PLUS ACCOUNT

### Enterprise Plus User Features

- Collect multiple signatures on a single document
- Conduct in-person signing
- Create unlimited number of documents sent for signature
- Prepare, send, and sign documents with an easy-to-use web-based interface
- Track progress on signature requests
- Use unlimited templates (permission slips, parent forms, etc.)

### Enterprise Plus Administrative Features

- Customize branding (district logo)
- Ensure HIPAA Compliance
- Integrate with Google Drive, Dropbox, and other cloud storage
- Perform data validation
- View audit trails

Unpaid account is only needed to prepare and send the document for signature. Paid accounts are not needed to sign a document.

### FISCAL YEAR 22 PRICING

Buy on/after July 1, 2021: \$264

All licenses expire June 30, 2022.

## MVECA Datacenter Services

- No hardware upgrades
- Patch management and firewall services available
- Most affordable services available
- Low TCO and more cost effective than self-provisioned hardware

<b>Server Hosting</b>	Monthly rates based on provisioned resources and disk space. No bandwidth charges. Call for quote
<b>Remote Backup Services</b>	<p><b><u>One Time Costs:</u></b></p> <p>Initial setup installation, training and full backup (per server) - \$100</p> <p><b><u>On-going costs:</u></b></p> <p>Per Gigabyte fee – minimum fee of \$100 per month</p> <p>\$ .20 per Gigabyte monthly</p>

# MVECA Cyber Security Initiatives

---

- Implementation of Next Generation Firewall technology
  - Application firewall with deep packet inspection, intrusion prevention, geo-blocking, malware protection, east-west security
- Work with statewide security group to implement policy framework
- Update of Trustwave Secure Email Gateway and continued use of statewide IronPort solution
- Promotion of Cyber Security Awareness training with phishing campaigns
- Engagement with Department of Homeland Security National Cybersecurity Assessments and Technical Services (NCATS) for weekly penetration and vulnerability testing
- Implementation of network security best practices on servers and data stores
- Implementation of FIPS 140-2 encryption standards for **offsite backup**
- Adoption of NIST Cyber Security Framework
- Creation of monthly Plan of Actions and Milestones Report

# NIST Cyber Security Framework

---

- National Institute of Standards and Technology (NIST) Framework
  - Chosen as the most suitable for our environment, primarily due to its wide adoption by governmental and educational organizations
  - Comprehensive set of policies, including (18) separate control families, that encompasses all aspects of data management and security
  - Controls address the proper elements of managing the Confidentiality, Integrity, and Availability of information systems
- Ohio General Assembly SB 220
  - Includes language that provide organizations, who are actively developing and implementing a recognized security framework, with a “safe-harbor” status should a breach occur

# USAS/USPS-R Migrations

---

- 27 schools/districts are live on Redesign
- 1 district to go live in December
- 6 districts to go live in June of 2022
- Training is ongoing

# Staffing Updates

---

Travis Kemper – Service Technician at Chillicothe

Cody Jacobs – Service Technician at Southeastern

Aiden Houck – Service Technician at MVECA

Interns at Chillicothe, Beavercreek, Fairborn, Huber Heights, MVECA, Springfield

Continued use of former RSDT fiscal support team for supplemental fiscal support
