SOITA, CET & MVECA
FALL WORKSHOPS

Half-Day Classes

Let's Chat(GPT) and Other AI Tools
Oct 5 @ MVECA | 9:00 AM - 12:00 PM | <u>Register</u>
Join this introduction to ChatGPT and other AI tools for education. Participants will explore a wide variety of AI tools and discuss their role in the future of education and how they can be effectively used in the future.

Meet VEED: Your New Favorite Video Creation Tool
Oct. 5 @ MVECA | 1:00 - 4:00 PM | <u>Register</u>
In this course, participants will learn the essential skills of video editing using green screens, layers, imported media, and audio to create high-quality digital content using VEED. Skills learned in this session can be transferred to many other video editing platforms.

Get Creative with Canva
Oct. 20 @ MVECA | 9:00 AM - 12:00 PM | <u>Register</u>
Join us and unleash your inner designer with Canva! Canva is an online design tool that allows you to use its intuitive interface and vast collection of templates, fonts, and icons to create a variety of content. In this workshop you'll learn the ins and outs of designing with Canva, designing Google Classroom banners, classroom decor, student activities, GIFs, and more!

Building Bitmoji Classrooms & Bookshelves with Canva
Oct. 20 @ MVECA | 1:00 - 4:00 PM | <u>Register</u>
Get ready to add some personality to your online content! In this session, we will explore how Canva's features and content can be utilized to create a unique and engaging way to share content and links with your students. Join us as we go through the process of designing your slide background, adding linked images, incorporating your own Bitmoji, and sharing your content.

Getting Started with Google Forms
Nov. 8 @ MVECA | 9:00 AM - 12:00 PM | <u>Register</u>
If you're looking for a quick, streamlined tool to collect information and data, look no further than Google Forms. This class walks through the basics of creating, customizing, and sharing a Google Form.

Let's Create in Google Drawings and Slides
Nov. 8 @ MVECA | 1:00 - 4:00 PM | <u>Register</u>
In this class, we will use our skills in Slides and Drawings to create content. We will create digital choice boards, interactives, and other materials as time allows. This class will offer you the opportunity to "get your hands dirty" with the time to create.

For classes held at MVECA
Please note: Capacity is limited, so registration will occur on a first come, first served basis. Each registrant will receive confirmation that registration has been received and a space has been reserved. MVECA reserves the right to cancel the event if sufficient numbers are not registered. MVECA may also cancel due to speaker cancellation or inclement weather. Attendees will be notified via email as soon as possible prior to the event in case of such a cancellation. Registrant safety is our primary concern. If you are unable to attend for any other reason, the <u>full registration fee will be refunded if your cancellation notice is received no less than two weeks prior to the event.</u>
