How the Securly platform helps schools support **whole-student success**

Safety

filter
Deliver a safer, more educational web anywhere and on any device.

aware
Safeguard students against self-harm, suicide, bullying, and violence.

visitor
Streamline guest check-in, validate identities, and keep your campus safe.

e-hallpass
Improve your students' engagement, safety and accountability by managing all of your hall passes and out-of-classroom data digitally.

Engagement

classroom
Engage every student and lead class with confidence.

home
Give parents/caregivers more control and opportunities to get involved in their kids' learning.

flextime manager
Help your staff efficiently and effortlessly manage flex periods, empowering your students' learning and enrichment.

Wellness

aware
Know which students are struggling with evidence-based wellness level monitoring, provide proactive interventions, and manage cases efficiently.

on-call
Gain human-supported analysis of flagged activity notifications round the clock and escalated response.

rhithm
Teach wellness skills and get students ready to learn, while gaining actionable insights.
Technology

MDM
Manage iPads and other Apple devices from the cloud.

reveal
Uncover student app usage insights to make smarter edtech decisions.
